Annual Conference LEARN! & EducationLab

Behavioural Effects of Policies to Improve Education

The conference includes keynotes, presentations and poster presentations that address the question whether educational policy interventions are effective and how they change the behavior of different actors – i.e. students, teachers, school leaders, and school boards – involved in education.

When: Thursday, **2nd of November 2023**

Where: **Vrije Universiteit Amsterdam; Atrium, MF-building,**
Van der Boechorststraat 7, 1081 BT Amsterdam, the Netherlands
